Instructions for filling out Mission in Motion Event Forms

1. Make sure the church name and address portion is filled in.
2. The Kit section is only for actual kits donated....not cash given for kits. The cash would go in the sections with the boxes around them.
3. Cash donations should be listed in the sections with the boxes around them. Make sure that the church bringing the form has money/checks that total the box. They should only list funds here that were turned in that day.

If you have any other questions regarding the form, please call JoAnn Schlimgen at (605)996-6552 or email joann.schlimgen@dakotasumc.org. Thanks for your help at our mission events.
