

Winds of the Spirits Funding Proposal

Purpose: The “Winds of the Spirit” is a new program being offered by our Annual Conference. This is a mechanism to help fund new and emerging ministries sponsored by local churches and conference committees. The application should include a budget which reflects the cost of the project and the income sources for the project. The funds are for operational or program expenses, not equipment or capital projects. Each application will be evaluated on the projects ability to help fulfill the Mission and Purpose of the Annual Conference, and the Vision proposed by the Common Table, which will be presented to the 2011 Annual Conference. (See page 1-4 of the 2010 Conference Journal). For this year only applications will be accepted until **May 27, 2011**. Please submit your completed application to Jeff Pospisil at jeff.pospisil@dakotasumc.org

Vision Statement Dakotas Annual Conference The United Methodist Church

We will increase average worship attendance by 1% by 2012.

Our top priority is to under gird the local church to:

- Equip lay people to make disciples and transform the world.
- Reach more people, younger people and more diverse people.
- Develop strong children and youth ministries.
- Support and strengthen families.
- Make a difference in their communities, locally and globally through acts of mercy.
