

# Cross-State Bus 2019

Eastern South Dakota to Storm Mountain Center

Buses are available to some of our Storm Mountain Camps. Below you will find info on where you may board the bus and the associated cost. If you want to ride the bus one way only, the cost is divided in half. If you are boarding the bus at one location and returning to a different location after camp, please note that during registration.

There must be a minimum number of campers to make the bus cost effective. If not enough campers register to ride the bus you will be notified at least two weeks before camp begins and a bus fee refund check will be issued.

If you want to ride the bus follow these steps:

1. If you are registering for a camp on-line, please complete the transportation section. You must pay the FULL BUS FEE.
2. If you are registering with a paper copy of our registration form returned by US mail, email or fax, record the bus fee and bus stop(s) in the Payment Information box.
3. FULL BUS FEE must be included with camp registration form and the camp payment.

**Camper will not be registered for the bus until the FULL BUS payment is received.**

**NO Refunds.**

*If your registration is mailed to our office, we will email a confirmation with bus information. If you register online you will be able to print this information after your registration is complete.*
