#780 Unplug to Recharge

Sept 25 – 27, 2026

I'm coming to camp! Now what?

Welcome to a weekend where you are encouraged to unplug to recharge yourself. There will be scheduled times for activities if you would like to participate or if you'd rather do your own thing; enjoy. Please remember this is a camp atmosphere, so accommodations are bunk style.

Two Weeks Before Camp - Full payment for camp is due. Be sure your **Liability Waiver & Public Relations Release** and **Medical Information/Health Form** have been filled out online. (Or bring them with you to camp - but are **required** to attend camp)

If you are interested in securing your own craft table for the weekend, call the camp to reserve. 1st come 1st serve if that is something you are interested in doing over the weekend.

What happens when I get to camp?

► Bring forms, medications, and camp store money to the check-in at **Harmony / Welcome Center**.

► Bring, or have completed on-line, your two forms:

- **Medical Information/Health**
- **Release of Liability Waiver &**

Public Relations Release

► There will be a short health screening at check in

► Adults are expected to be in charge of their own medications and locked at all times either in your vehicle or a lockbox on site.

All medication must be in original containers labeled with name and dosage.

► A general itinerary will be provided of weekend activities and meal times, but the weekend is yours. Sign-ups will be at the first meal time.

► The camp store will be open at scheduled times for purchases. Please note, we do not take credit cards at the store so please be sure to pack some cash or check book if you'd like to buy snacks, drinks, or a t-shirt.
