Solar Oven Partners  
1331 W. University Ave., P.O. Box 460  
Mitchell, SD 57301-0460

Dear

We just gave a donation in your honor to Solar Oven Partners.

For 24 years, SOP has distributed ovens to families in The Dominican Republic, Sierra Leone and Four Corners Native American Ministry in New Mexico and Arizona. You helped deliver practical, economical and environmental benefits of solar cooking to a family as they help build and learned to use a solar oven.

You are a Solar Oven Partner now.

We love you,

What if we  
told you,  
you  
changed  
someone's  
world right  
now?

**A gift in someone's honor keeps giving.**

Every act of generosity counts,  
and everyone has something to give.
