Mission u 2022

*Learning Together for the
Transformation of the World*

Mission u is an opportunity to study
current issues impacting society with
attention to the responsibilities in
fulfilling the mission work of the
church. Through this year's study,
participants grow in their
understanding of the mission of the
church in the current world context.

Mission u is a retreat weekend where
we experience class and worship, and
where we spend time singing global
music, hearing from missionaries, and
enjoying fellowship.

This event is collaboratively sponsored by
United Women of Faith, previously known as
United Methodist Women, and the United
Methodist Dakotas Conference.

Something New for Mission u 2022!

Mission u will now introduce one adult curriculum focusing on a biblical theme.

Through this vibrant, relevant, justice-oriented, and biblically-centered curriculum, Mission u will continue its commitment to learning together for the transformation of the world.

Who Can We Be Together?

Building a Community of Hope and Joy

Who Can We Be Together? A Biblical Exploration of Luke 13, the 2022 adult curriculum by Candace Simpson brings participants deeper into Jesus' teachings in this chapter of Luke to explore what it means to be in community. As the author notes, "For followers of Christ 2,000 years later, it's important for us to sit with the range of emotions we have in response to these words. It's not easy to build and sustain communities, especially when there are forces that drain us, exhaust us, and even push us to act uncharacteristically. And yet, we are called to act on the most ethical principles of our faith so we can witness the kin-dom of God on earth."
