

VOLUNTEER

God turned to ordinary
Mary and Joseph
from the insignificant town of
Nazareth
to usher in
God's redeeming love.

Today, God calls
ordinary YOU
to spread God's
redeeming love!

Now more than ever,
struggling families
need the financial benefits
of cooking with the
free energy of the sun!

Now more than ever,
people need healthy lungs,
not exposed to daily
smoke of cook fires.

Now more than ever,
our environment needs
protection from deforestation.
