TABLE 2: ASSETS AND EXPENSES

ASSETS	24	Market value of church-owned land, buildings, vehicles, and equipment Enter the estimated market value of buildings, parsonages, vehicles, and equipment plus the value of parsonage-related assets. If a parsonage is in a charge of more than one church, list parsonage-related assets only on the report of the church where parsonage is located. If property is held by a multi-church charge in common (rather than by an individual church) a share of the value should be assigned to each church according to its percentage of total professing membership within the charge unless a specific percentage of commonly-held property has been otherwise designated. Congregations are not obligated to initiate property appraisals in order to provide this estimate.	24
	25	Market value of financial and other liquid assets Enter the estimated market value of cash, stocks, bonds, trusts, securities, investments (including endowments) belonging to the church, including money raised or donated and held for future building programs or any other special purposes, and all property and other investments not included elsewhere. Include any liquid reserve funds in this line.	25
DEBT	26	Debt secured by church physical assets Enter the amount of debt currently held by the church that is secured by church property and assets, such as mortgages.	26
	27	Other debt Enter the total of all debt currently held by the church that is not secured by church property assets, such as credit cards, lines of credits, and lease-to-purchase agreements. The sum of Lines 26 and 27 should equal the total debt currently held by the church.	27
