

Survey on Effects of COVID-19 Pandemic

As the Church Council considers when and how to resume in-person worship with our parishioners and the public, we would like to know how the recent interruption in worship and fellowship and the wider restrictions on business and gatherings have affected our members.

Please respond to this brief survey of how you and your family have been affected, and return your responses to the church office by Tuesday, May 19th. Your responses will be kept confidential and no identifiable information will be included in the final report to the church and Council.

You may respond by email (redfieldumc@midconetwork.com), by phone (472-0770), by dropping off it off at the church (box on the table inside the front door), or by mail. The more responses, the better the Church Council and church will know how to proceed.

Thank you for your time and willingness to respond. *If you are in urgent need of assistance for food* or just need a listening ear, please call the church or pastor any time. You can also call 2-1-1 for help. We are here to serve you and the Lord.
