# Bismarck Legacy South UMC and Bismarck Celebrate Grace UMC Builders Club Call ~ Spring 2020

*We ought therefore to show hospitality to such people so that we may work together for the truth.*  
3 John 1:8

We're living in a new world. A time presenting us with a great deal of uncertainty, but also a time for us to be present in new ways for our neighbors and those in need of a different kind of ministry during these trying times.

Ministry can happen in many forms, places, and at any time. In Bismarck, North Dakota, two churches are partnering to help both of their ministries grow. Celebrate Grace, a Bismarck recovery ministry, and Legacy South, a new extension of Bismarck Legacy UMC, have joined together in the hopes they can make new disciples together.

Celebrate Grace recently purchased a building that will allow their ministry to grow. The location and ministry schedule also allow Legacy South to share their space and have a permanent place to gather and worship. The new building will offer a larger and permanent worship space, a dedicated place for kids, a gathering and welcoming space, office space, and the potential for ministry events during the week. Both churches have vastly different ministries yet have found a unique way to come together for their common goal of creating a space for people to encounter God.

Although they have purchased a building, there is a lot of work to be done to transform it into a space that works for both Legacy South and Celebrate Grace. Signage is needed throughout the new building, as well as outside to identify the center as home for Celebrate Grace and Legacy South. In the welcome area, they plan to add a connections desk, as well as a coffee bar. In the worship space, chairs need to be purchased and technology needs to be installed.

The new Celebrate Grace and Legacy South church building will create a warm and open atmosphere for both groups to welcome people with radical hospitality. As the people walk through the door, whether they are people in recovery, families looking for a new place of worship, or someone just looking for connection, all will be welcomed into a place where they can truly find the heart of God. This new space will be ready to provide ministry to our neighbors in need of a safe place when we are once again able to gather together to receive the Good News and grace of Jesus Christ.

We are so grateful for your continued support of the Builders Club and ask that you prayerfully consider a gift of \$25 or more to support the ministry of Celebrate Grace and Legacy South in Bismarck, ND. The gifts for this call will be received until June 30, 2019.

## *Plankinton UMC thanks you . . . . \$10,000 granted!*

Plankinton UMC sends a giant THANKS! The Plankinton United Methodist Church is more than a place of worship, it is an integral part of the Plankinton, SD community. On behalf of the Plankinton UMC faith community, I would like to extend a giant THANK YOU to the Builders Club for your support. Now, with the help of the Builders Club, we are finally ready to transform our parking lot into a smooth and accommodating entry to a warm and welcoming community of faith. Thank you again for your generous donations—we could not do this without you! - Pastor Rodney Knock

## Because you gave...

Builders Club is unique in that it is a partnership of hundreds of individuals, organizations, and churches across North and South Dakota. Individually the gifts wouldn't make much of a difference, but together, they provide the support and opportunity for change. In the same way, a single church being helped doesn't make a big difference, but the number of churches that have received support of the years has added up and thousands of lives have been reached for Christ because of it.

## Make a difference

Each year, the Builders Club chooses to support the building projects of four churches across the Dakotas. The goal of Builders Club is to assist churches in need of financial support for their building, remodel, or expansion projects. By providing support for the building projects of churches, it allows them to grow current ministries or build new ministries to make disciples of Jesus Christ for the transformation of the world.

“According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it.”

1 Corinthians 3:10
