# Lead Trinity UMC

## Builders Club Call ~ Winter 2019

*For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope.*

Jeremiah 29:11

**Youth** are a priority at Trinity UMC in Lead, SD. And through the youth, the Holy Spirit is moving within their congregation and community. When church leaders meet to envision the future of their church, they see the value of their young people and are reminded of the passion the youth have as they continue their faith journey.

Lead Trinity UMC is located next to what was once the Christian Ministry Center. Over the years, the church has purchased the building which has opened opportunities for Trinity to invite their

neighbors to experience God's love through Bible studies and **fellowship**. During the acquisition of the property, another nonprofit rented the office space of the Ministry Center. This partnership has ceased and it's a wonderful opportunity for Trinity UMC to move their administrative offices to the center. This move would encourage more interaction with Pastor Peggy, who continues to build relationships within the walls of the church and beyond.

By moving the offices next door to the Christian Ministry Center and redeveloping the current office space for the youth ministry, it will give the youth a sense of greater belonging to the church. The youth of Lead Trinity have an opportunity to invite unchurched youth to a safe place of

**discipleship, fellowship, and friendship**. A place to explore and learn more about **Jesus**.

We thank you for your continued support of the Builders Club and ask that you prayerfully consider a gift of \$20 or more to support Lead Trinity UMC. The gifts for this call will be received until March 31, 2019.

### *Marion Grace UMC thanks you . . . .*

Marion Grace United Methodist Church greatly appreciates the support from the Builders Club. The money received allowed us to finish our building project, which included a projector, new siding and insulation, and replacing our cracked and uneven sidewalks. The new projector in the sanctuary has been a great addition for our Sunday School activities and Worship Services. We expect the new siding to lower our heating and maintenance costs and sidewalks will make our church more accessible to everyone. Thank you for your support to help keep our church thriving into the future.

## Because you gave...

Builders Club is unique in that it is a partnership of hundreds of individuals, organizations, and churches across North and South Dakota. Individually the gifts wouldn't make much of a difference, but together, they provide the support and opportunity for change. In the same way, a single church being helped doesn't make a big difference, but the number of churches that have received support of the years has added up and thousands of lives have been reached for Christ because of it.

## Make a difference

Each year, the Builders Club chooses to support the building projects of four churches across the Dakotas. The goal of Builders Club is to assist churches in need of financial support for their building, remodel, or expansion projects. By providing support for the building projects of churches, it allows them to grow current ministries or build new ministries to make disciples of Jesus Christ for the transformation of the world.

According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it"

1 Corinthians 3:10
