The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit

www.wespath.org (click on HealthFlex/WebMD, log in and click on HealthFlex Plan Benefits) or call **1-800-851-2201**. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.cciio.cms.gov</u> or call **1-800-851-2201** to request a copy. If this summary and the complete terms of coverage conflict, the complete terms of coverage will control.

The plan sponsor provides a health reimbursement account (HRA) that you can use to pay for eligible unreimbursed expenses, e.g., your deductible, co-payments and coinsurance described below. This year your HRA will be funded with \$1,000 for an individual or \$2,000 for an individual with at least one covered dependent. If you do not use your entire HRA during a calendar year, the remaining amount will roll over to the following year, with no cap on accumulated funds.

Medical coverage is provided by Blue Cross and Blue Shield of Illinois, Inc. (1-866-804-0976); prescription coverage is provided by OptumRx (1-855-239-8471); and behavioral health benefits are provided by United Behavioral Health (UBH) (1-800-788-5614).

Important Questions	Answers	Why This Matters:
What is the overall deductible?	If took HealthQuotient: For participating provider: \$2,000 Individual/\$4,000 Family For non-participating provider: \$3,000 Individual/\$6,000 Family  If did not take HealthQuotient: For participating provider: \$2,250 Individual/\$4,500 Family  For non-participating provider: \$3,250 Individual/\$6,500 Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.  If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes, preventive care	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No. There are no other specific deductibles.	You don't have to meet <u>deductibles</u> for specific services.

What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For participating provider: \$6,000 Individual/\$12,000 Family For non-participating provider: \$12,000 Individual/\$24,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the out-of-pocket limit?	Copayments for certain services, premiums, balance-billing charges, vision expenses, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.bcbsil.com or call 1-866-804-0976 for a list of network providers.	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays ( <u>balance billing</u> ).  Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
