

Your church can become a partner church by making a monthly, quarterly or annual gift of support to HSOP.

Regular gifts from churches throughout the year mean that HSOP can buy materials to ship oven parts to Haiti and can support HSOP staff in Haiti.

- One oven per month @\$150 = \$1,800 annual partnership.
- Component parts for 50 ovens = \$5,000 annual partnership.
- Shipping and training costs for 250 ovens delivered in one HSOP seminar by a UMVIM team = \$12,500 annual partnership.
- 250 ovens and placement at typical seminar (neighborhood of solar cooks) = \$37,500 annual partnership.

## Together— Joyfully!

**200 partner churches  
in the Dakotas  
each pledging to buy  
one oven per month annually  
equals  
**2,300 ovens**  
delivered to 2,300 Haitian  
households with training.**

Ask your church treasurer  
to submit contributions  
to UMCOR Advance #418812 / Ovens  
or to Dakotas Advance #637 / Ovens.

# Be a Haiti Solar Oven Partner!

## Transform Your Church through Joy, Service and Loving Connections

*“The churches I serve are excited to know that their efforts are making a difference in people’s lives. They know that HSOP is effective and builds relationships with others in the Dakotas and in Haiti....Talk is cheap, but action is costly. Going to Haiti has stretched me. The example and witness of those who have gone before is essential. I hope and pray that sharing my experiences may inspire others to go, too.”*

~Pastor Marty Toepke-Floyd

*“Haiti Solar Oven Partners is a building block that helps whole families be lifted out of impoverishment. HSOP allows me to impact others—to be the hands and face of Jesus Christ and to see Jesus Christ in the hands and faces of the people of Haiti.”*

~Pastor Elizabeth Jassmann

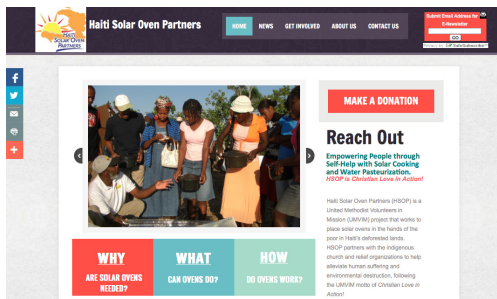

- **Challenge your church** to put Haiti Solar Oven Partners into its annual budget. Consistent income assists with strategic planning and long-term fundraising efforts through legacy gifts and grants.
- **Arrange a date to bring a team** for hands-on volunteering to prepare oven components at our workshops.

**Volga, SD:** Prepare solar oven parts for shipment to Haiti.  
Contact: Rick Jost, UM Missionary, HSOP Director  
605-692-3391 or 605-695-0783  
rjost@brookings.net

**Moffit, ND:** Manufacture reflectors.  
Contact: Dave and Renae Silbernagel  
701-387-4500 or 701-391-1858  
drsilber@bektel.com

- **Join a VIM team to Haiti.** Encourage your mission team to send volunteers to build ovens, see Christ’s love in action and bring the message home.
- **Stay in touch** via HSOP Facebook, website, and newsletter, and share news with your mission team.

Visit [www.haitisolarovens.org](http://www.haitisolarovens.org) to learn more. Subscribe to HSOP e-newsletter on the upper right corner of the HSOP home page.
