### Friday Evening

Friday night is about gathering, getting to know one another and creating a network with people that all work/volunteer in church administration. Craft and share your "Talking Suitcase" a 3D small artwork to enhance sharing something of your personal "story." Complete the project with an "altered book" craft as your "suitcase." Explore a question in your life, provide a recollection or two, perhaps some things that bring you joy or artwork you love, It's about using an art process to give shape to important thoughts or memories. Materials are provided but please supplement, with a few collage images, brief quotes/song lyrics, whatever you would choose to define yourself as we share, listen, and celebrate some of the sources of our spiritual depth and sparkle!
