“Growing in Blessedness” was the theme for the annual Dakotas Conference United Methodist Women Celebration held October 7-8, 2016, at St. Paul’s United Methodist Church in Jamestown, North Dakota. Counterpart training for the district officers was held on Friday afternoon and a talent show was put on in the evening. Saturday began with registration and coffee. Bishop Ough was our featured speaker, and our schedule for the day included singing, signing, worship, skits, Bible study, and installation of 2017 officers as well as food, fun, and fellowship. Mike and Libby Flowers shared stories of their "[Spirit Lake Ministry Center](#).” United Methodist Women attending brought fleece blankets to send home with Mike and Libby to give to the families they are in ministry with.
